(my notes Person, Mrs. Sedgwick Parson. Will check)

December 5th

My dear Mrs. C Chapman:

Can you tell
me when and where James
Zooke(Zuke) was born? I made
a trip to Norfolk and found
the record of his service
in the House of Burgesses
(1639-40) but did not have
time to look further. This
letter from Charles Zooke does
not help as James Zooke
came to Virginia long before
I should like to find the

connecting link with the
English family. It is nice
of Miss Mary Hinton to
say "she will sign for me".
The first families how
do I get the necessary
papers? It is no little
trouble to collect family
history and a comfort to
feel they can be recorded
instead of being lost, that
is one reason for joining
society if we don't care
for the social part.

Very sincerely
Margaret Hollowell

Mrs. Lewis L. Chapman
